

Starting November 15th at 8:00am repairs to the box culvert will be completed between 85th Terrace and 88th Street on Cedar Creek Road. A new guard rail will be installed at the box culvert. The repairs are expected to take one week. Cedar Creek will be closed the entire time and re-open (Barring unforeseen difficulties) on the 22nd of November. Emergency service issues have been coordinated with the Johnson County Sheriff and the NWC Fire Department regarding the closures. USD 232 bus service has been notified as well.

If you have questions and concerns please call me at my office at 913-586-5286. You can also contact Ron Creason or Walter Gardenhire at 913-583-1182.
