SPECIAL MEETING BUSINESS:

Consider Ordinance No. 2525 Annexing Gabriel, Heitzman, and Sunflower Redevelopment, LLC land (collectively around 6300 acres) into the corporate boundaries of De Soto, Kansas.

City attorney Patrick Reavey led on this item. He outlined the history of the annexation including that the legal description from the previous ordinance inadvertently included land owned by the Johnson County Parks and Recreation Commission. The legal description on ordinance 2525 excludes that portion of land. He recommended approval of the ordinance.

Motion by Murdock to adopt Ordinance No. 2525 as written; Second by Councilmember Ritter.
