OTTAWA STREET RECONSTRUCTION

The Ottawa Street Reconstruction Project is set to begin mid-November!

The current two-lane stretch of road from 82nd Street, over the railroad, to the entrance of Riverfest Park is approximately 24 feet in total width with no shoulder or sidewalk.

This reconstruction project will make the trip out to Riverfest Park more easily accessible by widening the road to 32 feet (two 11-foot travel lanes and two 5-foot bike lanes). Additionally, there will be an 8-foot-wide concrete sidewalk along the east side with grading for a future 5-foot sidewalk along the west side.

The bridge - and thus entrance to Riverfest Park, the Water Treatment Facility, brush site, and animal shelter - will be closed until next year. Access to these facilities will be limited to an Edgerton Road to 79th Street detour.

EDGERTON ROAD DETOUR TO RIVERFEST PARK AREA

HELP US DESIGN DE SOTO'S FUTURE!

With the announcement of the Panasonic project and upcoming economic development, the City is working to plan De Soto's future. We need your help to offer feedback, recommendations, and guidance as we navigate this exciting time of redevelopment and growth.

To help, the City is convening a Citizens Advisory Group to discuss priorities as we work through the strategic planning process.

We need people who....

- Are open-minded & willing to discuss key issues with other group members
- Can think about the needs of the entire community
- Are committed to the success of De Soto and its current and future residents
- Are willing to commit their time to advisory meetings and occasional pre and post work up to one year from selection

Applications will be accepted through November 14th, 2022 by 12pm. Final selections are expected late November and early December 2022. You will be contacted at this time via email. If selected, three (3) meetings are tentatively scheduled for the Advisory Group from December 2022 to Summer 2023.

Submit an application here: bit.ly/ApplicationToServe

CITIZEN SATISFACTION SURVEY

If you're not interested in becoming a member of the *Advisory Group for the Future of De Soto*, you still have the opportunity to share your input and help *Design De Soto*.

Keep a lookout in your mailbox for a citizen satisfaction survey which will be sent to every household within the next month!
