OTTAWA STREET BRIDGE PROJECT

There's a lot of progress being made out at the Ottawa St. Bridge reconstruction site!

Crews recently laid the first course of asphalt base on both sides of the new curb, north of the railroad crossing on the way out to Riverfest Park. The project is still on track to be completed before the City's summer events begin!

WE'RE HIRING!

Come join our team! We're hiring full-time, part-time, and seasonal positions:

- Wastewater Technician
- Water Plant Operator
- Building Custodian/Gym Monitor (PT)
- Seasonal Street Maintenance
- Aquatics Center Lifeguards & Concessions
- Umpires / Sports Officials

CONTAIN THE RAIN

April is Water Conservation Month, and one great way to conserve water is by collecting all those Spring showers in a rain barrel!

We now have a program that can help cover some of the costs of projects like this, as well as rain gardens, pollinators, or native trees/plants.
