## HEADS UP: ESTIMATED TAX NOTICE

In early August, all property owners in Johnson County will receive an "estimated tax notice." **Please note:** this is not a bill and does not include information on special assessments that may be charged.

As a De Soto property owner, your property is included in a number of "taxing jurisdictions", aka taxing subdivisions. The state, county, city, school district, and fire district are all examples of taxing jurisdictions.

### The taxpayer notification form tells you two main things:

- Which taxing jurisdictions plan to exceed the revenue neutral rate (RNR)\*
- Public hearing notifications for taxing jurisdictions planning to exceed RNR

*\*The revenue neutral rate is the mill levy rate that would generate the exact the same amount of property tax revenue as the year before, using the current tax year's total assessed valuation.*

For more details, check out our webpage on RNR and the upcoming notice!

## KDOT - 103RD STREET CONSTRUCTION

**Beginning August 1, 2023:** West 103rd Street will be closed west of the Sunflower Baseball Fields. There will be no access to the Sunflower Baseball Fields for the remainder of the project.

Additionally, a portion of West 103rd Street will be closed west of Evening Star Road. Evening Star Road will remain open; however, **anyone who lives on 103rd Street west of Evening Star Road will need to use North 1400 Road to access K-10.**

For additional information and updates on the project, visit KDOT's De Soto Road Improvements page.
