UTILITY BILL AUTO DRAFT UPDATE

Heads up, utility bill auto-draft users! Starting October 2024, your automatic bank draft payment will now be processed on the 15th of each month (instead of the 10th).

This update aligns with the new utility bill due date, giving you extra time to pay!

Want to opt out of -or sign up for- auto-draft (ACHA)? Contact City Hall at 913-586-5271 by October 10th. No need to reach out if you're good with the new schedule!

HALLOWEEN AT THE 'FEST

Get ready for a frightfully fun evening at our **Halloween at the 'Fest** event on Saturday, October 19th, from 5-7pm at Riverfest Park!

Treat Trail Hosts
Sign Up Form

We're also looking for businesses, organizations, and individuals to host a trick-or-treat station along the forest trail. Decorate a table or area, bring the Halloween spirit, and hand out candy to hundreds of excited trick-or-treaters! Want to get involved? Sign up now to claim your spot in the forest and be part of this haunted adventure!

COMMON CONSUMPTION AREA (CCA)

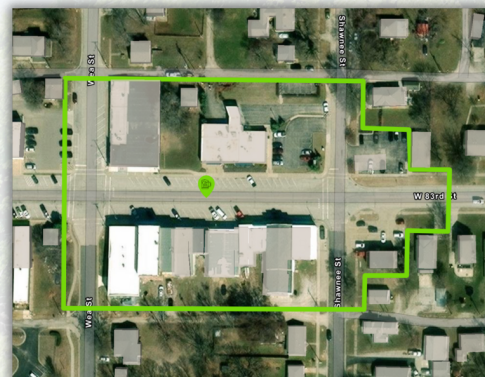

You may have noticed new signs popping up downtown for our new Common Consumption Area (CCA), which officially "opened for business" mid-September!

A CCA allows you to enjoy alcoholic beverages outdoors within designated areas, but only from businesses that have applied and been approved (i.e. it's not BYOB). If you've visited the Lenexa Public Market or Downtown Shawnee, you've likely seen how it works.

While our CCA is technically active, (at the time of writing, Sept. 20th) local businesses are still in the process of applying to participate.

CCA Info

Once approved, you'll be able to sip and stroll during CCA hours. Stay tuned for updates on when and how you can enjoy this exciting new addition in De Soto!
