COMMUNITY CENTER NEXT STEPS: MASTER PLANNING

Community Center Project Page

We're officially moving into the Community Center Master Plan phase! This step builds on earlier community interest and feasibility work completed over the past two years and will help refine priorities and develop clearer options to guide future decisions.

The master planning work includes gathering community input through surveys/ pop-up events/ public meetings, refining potential amenities and programming needs, evaluating possible site locations, and developing conceptual design options with updated cost estimates.

We'd like to hear from you as this work moves forward. You can share input at any of the upcoming **pop-up event opportunities!**

- **Saturday, January 31st** @ 9am–1pm | *Youth Basketball Game*, De Soto High School
- **Tuesday, February 3** @ 8:30am–11am | *Pickleball*, Community Center
- **Friday, February 13** @ 7pm–9pm | *DHS Basketball Game Night*, De Soto High School

A community survey will also open in early February. Updates and additional details will be shared on our website as the process continues.
